ART (8th GRADERS)

Your child will be in Art this entire year, meeting three days out of each eight-day rotation. For this course, they will need a **SKETCHBOOK**, 8 1/2 x 11 or 9x12" on the first class in September, and a **box of tissues** to be shared. Only other requirement is an excitement that they will become even better artists than they are now; they should not be worried about their skills which are in there - we just have to pull them out. All other supplies will be provided by the Art Department. We look forward to a great year, and see you in September (you may sing that)! Vince Dalba & Bill Smith

FACS
