

# QUEST Elementary School Library Summer Reading Challenge

“I pledge to read for at least 15 minutes each day during the months of July and August.  
For each day we read together, I will mark the attached calendar with a checkmark.”

When you have marked at least 40 days on this calendar, you have earned an  
Excellence in Reading Certificate. Just bring in the marked-off calendar and the completed form to the QUEST  
Library to get your certificate in September!

Recommended Reading Lists can be found on the QUEST Library Website:
