Circle the types of reading you enjoy the most (use the above list).

Look over your answers and use them to select a variety of genres you can read from over the summer. Of course include your favorites, but try to push yourself: pick something that will challenge you. Discuss this with your teacher to help you generate a list of what you'd like to read. You can use the internet, the library, or Mr. Blake's website which has links to a variety of reading lists. To get to Mr. Blake's website go to the Hilton school site, click on "classroom websites" under "schools" on the left side of the page. Then click on the summer reading link on Mr. Blake's homepage.
